The Journey Continues (What’s next)?
Outline

• General info
• Effective strategies
• What have we done well?
• What could make us even better?
Q1 In which Geographic region is/was your OOSC project?

- Africa: 62.5%
- Asia: 37.5%
- Middle East: 6.3%
- South America: 6.3%
- Other (please specify):
Q2 Which of the following barriers does your project(s) address to enhance the enrolment of OOSC? {Select all that apply}

- Refugees/IDPs/Returnees: 13.3%
- Poverty: 80.0%
- Poor quality of Education: 93.3%
- Resources: 53.3%
- Special Needs: 53.3%
- Infrastructure: 73.3%
- Gender: 40.0%
- Challenging Geographies: 40.0%
- Post conflict Instability/...: 26.7%
Q3 Based on your implementation experience, please list the strategies that in your opinion were most effective in enrolment of OOSC and their retention and that you are particularly proud of.

Word cloud
Most effective strategies in the enrolment and retention of OOSC

- Engagement with the community
- Alternative and flexible education delivery methods (ALP, NFE Koranic schools, e-learning)
- Working with the local government education officers
- Strengthening skills-teachers, SMC/PTAs
Q4 From your partnership with EAC over the years, what are some of the things that have worked particularly well in relation to operations, technical support, monitoring and evaluation, and communications?
Some of the things that worked particularly well

- EAC’s support to M&E systems
- Site monitoring visits provided clarity
- EAC feedback on semi-annual technical reports
- Responsiveness by the EAC team to various issues
- Funding has enabled scaling up of programs
Q5 Kindly provide your feedback on areas that EAC could do better in its future partnerships as relates to its operations, technical support, monitoring and evaluation and communications.

Communication, Reporting, EAC, Process, Project, Greater, Payment, Partners, Prior, Reporting, Financial, Project
Areas cited that EAC can do better

• EAC to support cross-learning, networking /learning opportunities and information sharing amongst partners
• Ensure quicker disbursement of payments to grantees
• Simplify the reporting processes
• Provide guidelines of programmatic & financial management besides the grant agreement.
